Meetings inform the membership, provide demos of products and techniques of interest to the membership, refreshments and socialization. We sponsor and promote various member art shows throughout Lakewood and the surrounding areas.

NOTICE THE DATE IS SEPT. 12TH to provide for Labor Day Vacations

LUCKY ARTIST

Our Lucky Artist of the Month for our June meeting was Jill Quillian. She was born in Deadwood, SD and moved here in 2012. She lived in 10 different states and taught in 3 states, and retired in WI before

move to the Lakewood Area.

She says that looking at some of her childhood art, she discovered she already had a painting style that has been transferred into her silk scarves and calligraphic art.

I have won some awards with MAG, and also belong to the Depot Art Gallery in Littleton.

Her Style: Abstract. Fantasy Flowers, Dragons, Bugs with lots of details on silk.

For a chance to win Artist of the Month: Bring in an Artwork Finished or in Progress and place your name in the basket on the Refreshment Table.

SEPTEMBER PROGRAM

RANDY HALE who was our Juror for the Miniature Show and will be our September Presenter. His career as a professional artist, juror, and workshop instructor evolved from many years working as an industrial designer and

and illustrator. He received his degree from California's prestigious Art Center College of Design. He credits his success in the art world to those years spent in sales, marketing, and project management. Randy is comfortable in expressing ideas and explaining concepts so they are easy-to-understand. Randy, is a natural-born teacher. His reputation for presenting demos in front of a crowd of onlookers is legendary. He is equally comfortable depicting any subject, using landscapes, portraits, figures or abstracts to illustrate a point. Randy encourages his students to create a story in which the viewer can participate. His mantra of "less is more" rallies painters to simplify, suggest & imply - letting water do most of the work to prevent compositions from becoming overcomplicated. By inspiring a viewer to imagine detail where none may actually exist, he entreats the viewer to engage in your painting as a full participant. And therein lies the magic of good painting! Dramatic use of light is perhaps the singular element that brings definition to Randy's own work. But good art can be executed in any medium and any style as long it provides a hook that engages the viewer, entertains the eye, suggests a bit of mystery, tells a story, or provokes thought! For more information about Randy Hale and his art, visit his website at www.halegallery.com For photos of his recent work turn to PG. 4
