## Lucky Artist of the Month

Our Lucky Artist of the Month for September was Sherry Benner. Lucky Sherry has been a member of MAG for less than a year. Her favorite medium to work with is watercolor. She hasn't a particular favorite subject type but loves to paint in bright colors, usually in a Realist style.

Sherry is a native of Colorado. She grew up drawing a lot but got away from art until she went to a 'Canvas and Cocktails' get together. It's what drew her back to art and now Sherry takes lessons from Cheryl Annett.

One of Sherry's favorite artists is Judy Patti. She learned batik from Judy Patti and a piece she did and entered in the MAG Members Show won 3rd place.

Sherry's best art tip is 'Enjoy the process and don't be afraid to throw away a piece of paper. Something else you need to know about Sherry is she has agreed to be our new Secretary! Congratulations, Sherry, and thank you!

Currently on our website you will find helpful information on the organization and when we meet, as well as information about the next presentation and other items of interest. You can find forms for membership and for rotating exhibits, where they

are and the forms to fill out for expenses and sales. Entry forms for current sponsored shows of our membership with the prospectus. We have a member gallery where members place their own work to be viewed by the public. The cost for a personal page is \$15.00 annually. Also available are pdf copies of the Mountainside Messenger Newsletter.

# Acrylic Landscape painting workshop -Scott Roberts

**Supplies tools** –paint, brushes, canvas, pallet, water, rags, easel, pencil, gloves, painting attire or apron

**Paint** I use Liquitex Basics for most of my work. You **can use whatever paint you want.**

The paint will be the costliest item. I would encourage artists to get together and share. One 4oz tube of each color will easily supply 6 to 8 artists for the workshop.

**I can supply the paint for this workshop\* \$7.50 per person (I'll purchase several tubes of each color to be shared during the workshop) **Let him know!****

(T- transparent, ST- semitransparent, O-opaque)

**Ultramarine blue** T

**Alizarin Crimson** ST

**Indian Yellow** T

(Indian yellow not made in Basics– use Liquitex professional Heavy body Acrylic OR Master's Touch Thick Body Acrylic (Hobby Lobby))

**Titanium White** O

Cerulean Blue O

Cadmium Red Medium O

Cadmium Yellow Medium or light O

**At the minimum** get Ultramarine blue, Alizarin Crimson, Indian Yellow, and Titanium White

**I can supply the paint for this workshop \$7.50 (per person) I'll purchase several tubes of each color to be shared during the workshop, **(please let Scott know if you are planning on doing this)****

**Brushes** (do not use your good watercolor brushes) These are level one brushes, but feel free to upgrade if you want.

**Acrylic brushes** – Gold Taklon (or similar) **3/4" or 1 inch Flat**

**#6 round**

Royal & Langnickel Essentials Brush Set, Bright Item #10415690 (get the one oil brush too) OIL **#6 filbert natural hair bristle brush**- (#6 Simply Simmons Bristle Filbert Brush (**Chungking hog bristles**))

**Canvas 5- 11x14** (not paper) I prefer stretched canvas because of its texture.

No need to get expensive canvas for this workshop. I get the Value Packs of 7pc - 11x14 canvases Michaels or Hobby Lobby **Scott can supply the canvas for this workshop\* \$10.00 for 5- 11x14 (please me know if you are planning on doing this)**

**Pallet-** large enough to put out paints and an area for mixing. Several commercially made palettes Plastic or glass are available. A glass kitchen plate may be used.

I use Artist's Loft™ from Michaels 20 Well Rectangular Artist Palette Item # 10208003

## **Water-**

**Water container-** to rinse, soak and wash out brushes. **A coffee can** works well - something that won't tip over easily with brushes in it.

**Spray bottle** – to mist palette and canvas buy one or use an old Windex bottle (or similar spray bottle) Multiple people share one. A bigger spray is better.

**Rags or paper towels**, or both – I mainly use rags old T-shirts, paper towels work good for wiping brushes and palette off. **I recommend a rag** (old T-shirt) because it doesn't break down and leave fuzz in the paint on the canvas.

**Drawing tools-** something to draw with - pencil, charcoal, charcoal white pencil.

**Easel** – this is Up to you.

Free

standing or **desk top** types work great. **You do not need an easel for this workshop**, but I feel it would be beneficial if you did.

**Gloves** – **this** is Up to you, mainly to keep hands clean (all 72 colors in the Liquitex Basics are non-toxic)

**Clothing / Apron**– Please wear appropriate attire for painting – Acrylic does not wash out easily even when wet.

Have questions: email [lzrscott@aol.com](mailto:lzrscott@aol.com), text or call 303-916-3994

**Paint and canvas- I can supply: (please me know if you are planning on doing this ) both \$17.50.**
