SCOTT ROBERTS

I paint strong bold contemporary images with acrylic paints on canvas.

Describing light in the sophisticated language of a painter and artist to tell an appealing story. I find the unique properties of acrylic paint responds well to my style of art.

As a Colorado native and an award-winning artist, I was inspired at a young age by my middle school art teacher Susan Arndt. She gave me a strong foundation of the fundamental skills, which I still rely upon to this day. I furthered my education at Western State College, Colorado Institute of Art (Denver), Arts Students League.

Scott will be doing a landscape acrylic painting demonstration. Please plan to attend!
