Collage Secrets for Every Medium

Lelija Roy, Eco. Seductress — landscape artist.

Lelija's demonstration will show you how to combine collage elements into any artwork. Her acrylic and mixed-media landscapes combine paint, pastel, pencil, charcoal and hand painted papers and fabrics. Textures include fibers, plaster, acrylic mediums and found objects. She hopes to inspire you to explore unexpected ways to express yourself.

Lucky Artist of the Month

Our 'Lucky Artist of the Month' for May was Barbara Matthews. Barbara has been a member of MAG since 2000. She was born in Du Bois, PA and moved to Colorado in 1980. Barbara currently lives in Wheat Ridge on a third acre with well water. Another interest of hers is organic gardening.

Barbara says she's a 'left-handed person so I'm creative.' Her preferred medium for painting is watercolor, but didn't follow her passion for watercolor until later in life because she was too busy working in IT. One of her favorite artists is Jean Haines.

Barbara's best art tip for you is 'When painting an animal, watercolor the eyes in first. Then everything will fall into place.'
